Appendix 1

Introduction:

- I introduce myself and explain my research topic on the perceived risks of AI on instructors and how I intend to approach the problem.

- The purpose of the interview.

- Request for permission to record from the interviewer.

Questions about instructors' experience with AI:

- Question 1: Could you explain to me what you know about artificial intelligence (more precisely ChatGPT)

- Question 2: What do you think about AI in higher education?

Questions about the potential benefits of ChatGPT AI:

- Question 1: Have you had the use of ChatGPT AI applications in the field of education? If so, could you cite examples of such applications?

- Question 2: Do you think that using ChatGPT AI could provide benefits to instructors? If so, perhaps you could give some examples.

Questions related to perceived risks of AI ChatGPT in higher education:

- Question 1: Do you have any concerns about the use of AI in education?

- Question 2: What are the dangers you perceive associated with the use of AI in this field?

- Question 3: What is your perception of these risks in terms of: Academic and learning, Ethical, Psychological, Social, Economic?

Questions about instructors' expectations of AI ChatGPT:

- Question 1 What do you expect from the use of ChatGPT AI in education in the future?

Conclusion:

- I thank the interviewer for his time and participation.

- I ask the interviewer if he wants to add anything or if there is a comment.
